Bureau of Information

A bureau of information will be maintained by the management at the secretary's office in the Administration Building.

The Des Moines Chamber of Commerce and the Iowa Automobile Club will maintain a bureau of information in a building on the south side of Grand Avenue between the Varied Industries Building and the Administration Building. Any information pertaining to the city, condition of roads, etc., will be cheerfully furnished State Fair visitors.

Day Nursery

A Day Nursery will be maintained in the southwest wing of the Women's and Children's Building, which will be open all day and up until 11:30 at night. Trained nurses will be in attendance to take care of and entertain the children. Mothers will be required to furnish food for their children. A reasonable fee will be charged for this service. This makes it possible for mothers of small children to attend and thoroughly enjoy the fair by leaving their children in care of the nursery.

Women and Children's Building

The Women and Children's Building is a beautiful structure located on the hill east of the Stock Pavilion and Agricultural Building. The location is ideal, overlooking the main portion of the grounds and exhibit buildings. The rest rooms are large, well ventilated and comfortably furnished. The spacious porches offer a resting place for hundreds of people.

Emergency Hospital

An emergency hospital will be maintained on the grounds east of the Women and Children's Building. A skilled physician and a trained nurse will be in charge day and night. The management provides the hospital building and furnishings, but each patient is required to pay a reasonable fee for services rendered.

Check Room

Check rooms in charge of reliable persons will be located at the entrance of the auto parking grounds near the Old Mill. Packages may be checked at a nominal fee.

Post Office

A substation of the Des Moines Post Office will be located on Grand Avenue, northeast of the Agricultural Building. The office will receive and distribute mail, sell stamps, postal cards and money orders.

Press Bureau

The Fair will maintain a press bureau in the Administration Building with a competent person in charge. Manifold copies of the awards in the live stock departments, daily programs, special orders and announcements, offical decisions and all other matters of interest to the public will be furnished to the press. Representatives of the press at large, who may be assigned to or visit the fair, are cordially invited to make this their headquarters and avail themselves of the facilities offered.

Express

The express company's office will be found in a booth east of the north entrance to the Stock Pavilion. All express matter intended for delivery at the grounds should be marked and charges prepaid to Des Moines. All express sent to individuals or firms in care of the secretary will be found at the express office.

Railway Offices

All the leading trunk lines will have a consolidated office in a booth east of the north entrance to the Stock Pavilion for the transaction of business and furnishing information relative to freight and passenger rates, departure of trains, etc.

Telegraph Offices

A branch station of the Western Union and Postal Telegraph Companies will be maintained in the Administration Building.

Telephones

A complete telephone system is maintained on the grounds by the Northwestern Bell Telephone Company. Connections may be had to any part of the grounds, free; a toll fee of ten cents from down town connections is charged. The central office is located in the southeast corner of the Educational Building and Grandstand.

Administration Offices

All of the officers and superintendents of the Fair will have offices in the Administration Building. This is a very handsome and useful office building, located in the center of the grounds. A cordial invitation is extended to everyone to make the building their headquarters while at the Fair.

General

The management will consider it a kindness if persons will report any mistreatment or extortion practiced by any employe of the Fair or concessionaire. They also ask for immediate information regarding the sale of intoxicating liquors.

4-H CLUB DRAFT COLT CLASS NO. 131

Score Card Class

$25 $20 $16 $14 $12 $10 $9 $9 $8 $7 $6 $5 $5 $5 $5 $5 $5 $5 $5 $5 $5 $5 $5 $5 $5

To be judged by the following score:

Growth and development of colt	35%
Fitting and decoration of colt	15%
Manners and training of colt	15%
Horsemanship of exhibitor	15%
Judging of contestant	20%

The colts will be placed by a competent judging committee and rated on the first four of the above score points. They will then be rated from first to last by the same committee solely on the merits of the individual colts competing, and placed in the order of their rating. Before any judging is done, the colts, when first led into the ring, will be held by a helper for twenty minutes, during which period each boy or girl contestant will make a written record giving their judgment on the placing of colts in the ring, in the order of their merit, and this placing will serve as a basis for the last 20% in the above score.

The Iowa Retail Harness Makers Association will award a fancy Riding Bridle to the highest scoring exhibitor in this class.

WALLACES' FARMER AND Iowa Homestead

Good Farming; Clear Thinking; Right Living

extends to state fair visitors a cordial invitation to visit its headquarters in the east end of Varied Industries Building and to visit its large and attractive plant at 19th Street and Grand Avenue.

We like to get better acquainted with our farm friends and to confer with them about matters of mutual interest. We like also to meet manufacturers and their representatives on the occasion of their visit to the state fair.

Our headquarters in Varied Industries Building are maintained from 8:00 A. M. to 6:00 P. M. Our plant at 19th Street and Grand Avenue, where nearly 200 people are employed, is open for inspection by visitors from 9:00 A. M. to 4:00 P. M.
